PROFESSIONAL SUMMARY

Fourth-year Bachelor of Science in Information Technology (BSIT) student with hands-on experience in academic software projects, research documentation, and administrative support. Proficient in Microsoft Office, Google Workspace, AI productivity tools, and web technologies. Seeking a remote opportunity as a Virtual Assistant, Technical Virtual Assistant, Administrative Assistant, or IT Support professional.

PROJECT EXPERIENCE

Research Project - Employee Profile Management System

Northeastern Cebu Colleges - Cebu City | Jan 2025 - June 2025

Developed a web-based Employee Profile Management System using C#, .NET, and Visual Studio to improve HR employee data entry and profile management.

Independently learned C# and .NET beyond classroom instruction to design, build, and document the project.

Researched, completed, and successfully defended the capstone project as a solo developer.

Student Teacher (Work Immersion)

Aloguinsan Central Elementary School - Cebu City | Jan 2023 - March 2023

Supported Grade 3 students with reading and writing activities to reinforce classroom learning.

Checked quizzes, organized student records, and assisted with basic administrative tasks.

Communicated clearly with students and helped maintain a structured, productive classroom environment.
